

DEPARTMENT OF EMERGENCY MEDICINE
RESIDENT/FELLOW PUBLICATIONS 2000-2014

Manuscripts

Cabaniss W, Bush SP, O'Rourke DP, Fletcher PF, **Brewer KL**, Lertpririyapong K, Punja M, Miller SN and Meggs WJ: A randomized controlled trial of trypsin to treat brown recluse spider bites in guinea pigs. *J Medical Toxicology* (2014) IN PRESS.

Bennett JM, Nehus NR, Astin MR, Brown CK, Johnson R, Brewer KL: Use of Cranial Computed Tomography (CT) in Elderly Patients Presenting after a Fall: Can we Predict Those Having Abnormal Head CT Scans. *British J of Med & Med Res* (2014) IN PRESS

Parker-Cote J, O'Rourke D, Miller S, Brewer KL, Rosenbaum M and Meggs WJ: Trypsin and rosmarinic acid reduce the toxicity of *Micrurus fulvius* venom in mice. *Clinical Toxicology* (2014) 52(2):118-120.

Bourne CL, Brewer KL, **House J**: Injectable lidocaine provides superior analgesia compared to transdermal lidocaine/tetracaine patch for the incision and drainage of skin abscesses: A randomized controlled trial. *J. Emergency Medicine* (2013) E-publication (PMID:).

House J, Seymour H, Brewer KL, Bourne CL: Location of the appendix in the gravid patient. *J Emerg Med* (2014) 46(5):741-744. PMID: 24484624

Stallings LA, Newell M, Toschlog EA, Thomas CC and Kypson AP: Right ventricular bullet embolism: Diagnostic and therapeutic decisions. *Injury* (2013) IN PRESS

Brewer KL, **Troendle MM**, Pekman L and Meggs WJ: Naltrexone prevents delayed encephalopathy in rats poisoned with the sarin analogue diisopropylfluorophosphate. *Am J Emer Med* (2013) 31(4):676-679

Patterson LE, **Bennett J** and Brewer KL: Resident accuracy in locating the common femoral vein in normal weight vs. obese patients. *Open Journal of Clinical Diagnosis* (2013) 3:105-108

Smith K, Brewer KL and Brown CK: Can Clinical Prediction Rules used in Acute Pediatric Ankle and Midfoot Injuries be used in Adults? *AJEM* (2011) 29:441-445

Radecki RP and Sitting DF: Application of Electronic Health Records to the Joint Commission's 2011 National Patient Safety Goals. *JAMA* (2011) 306(1):92-93

Hack JB, **DeGuzman J**, Brewer KL, O'Rourke D and Meggs WJ: A localizing circumferential compression device delayed death after artificial eastern diamondback rattlesnake envenomation to the torso of an animal model in a pilot study. *J Med Tox* (2010) 6:207-211.

Meggs WJ, **Wiley CN**, Hack JB and Brewer KL: Efficacy of North American crotalid antivenom against the African Viper *Bitis gabonica* (Gaboon Viper). *J Medical Toxicology* (2010) 6(1):12-14

Meggs WJ, **Courtney CA**, O'Rourke D, Brewer KL: Pilot studies of pressure-immobilization bandages for severe rattlesnake envenomations. *Clin Tox* 2010;48:61-63

Carter K, **Dawson B**, Brewer KL and Lawson, L: RVU Ready? Preparing Emergency Medicine Resident Physicians in Documentation for an Incentive Based Work Environment. *Academic Emergency Medicine* (2009) 15(5):423-428.

Shiber JR; Brewer KL and **Longley MB**: Hyperutilization in the emergency department. *AJEM* (2009) 27(5):588-594.

Puhr J, Hack J, Early J, Price W, Meggs W. Lithium overdose with electrocardiogram changes suggesting ischemia. *J Med Toxicol*. 2008 Sep;4(3):170-2.

Scott L, Tintinalli J and Brewer KL: Lumbar punctures for suspected meningitis in adults. *Infectious Diseases in Clinical Practice* (2008) 16(5): 298-302

Hack JB, **Early J** and Brewer KL: An Alcohol Oxidase Dipstick Rapidly Detects Methanol in Serum of an Animal Model. *Academic Emergency Medicine* (2007). 14(12):1130-1134.

Carter KE, Garrison HG and Brewer KL: Awareness of the bicycle helmet law in North Carolina. *North Carolina Medical Journal* (2007) 68 (4):225-230.

Coffey JA, Brewer KL, Carroll RG, Bradfield J and Meggs WJ: Limited Efficacy of Calcium and Magnesium in a porcine model of hydrofluoric acid ingestion. *Journal of Medical Toxicology*(2007) 3(1): 45-51.

Barrueto Jr. F, Murr I, Meltzer A, Brewer KL and Meggs WJ: Effects of Amiodarone in a swine model of nortryptiline toxicity. *Journal of Medical Toxicology* (2007) 2(4): 147-151.

Heflin CR, Brewer KL, Hack JB, Meggs WJ: Toxicity of Calcium Ionophore A23187: A Model for Systemic Anaphylaxis. *Annals of Emergency Medicine* (2006) **Accepted, in press.**

Shiber JR, **Santana J**. Dyspnea. *Med Clin North Am*. 2006 May;90(3):453-79.

Hack JB, **Wilkinson HL**. Are the "life-support" courses updated? An evaluation of their literature base. *Acad Emerg Med*. 2006 May;13(5):580-4..

Boesiger BM, Shiber JR. Subarachnoid hemorrhage diagnosis by computed tomography and lumbar puncture: are fifth generation CT scanners better at identifying subarachnoid hemorrhage? *J Emerg Med*. 2005; 29:23-7.

German BT, Hack JB, Brewer KL, Meggs WJ. Pressure-immobilization bandages delay toxicity in a porcine model of eastern coral snake (*Micrurus fulvius fulvius*) envenomation. *Annals of Emergency Medicine*. 2005;45(6):605-608.

Trinh H, Hack JB. Use of CroFab™ antivenin in the management of a very young pediatric copperhead envenomation. *J Emerg Med*. 2005 Aug;29(2):159-62

Hack JB, **Woody J, MD, Lewis DE**, Brewer K, Meggs WJ. Interactions of intravenous calcium in a digoxin poisoned porcine model. *J. Toxicol Clin Toxicol*, 2004;42:337-342

Zidd AG, Hack JB. Massive pediatric ingestion of lamotrigine. *Pediatric Neurology*. 2004;31(1):71-71.

Lewis DE, Carroll MR: Clinical Pearls: A 2-year-old Female with a Rash. *Academic Emergency Medicine*, 2004;11(4): 383-387.

Brewer KL, **Hardin JS**: Neuroprotective Effects of Nicotinamide after Experimental Spinal Cord Injury. *Academic Emergency Medicine*, February 2004; 11(2): 125-130.

March JA, **Evans MA**, Ward B, Brewer KL: Motor Vehicle crash fatalities among Hispanics in rural North Carolina. *Academic Emergency Medicine*, 2003;10 (11):1249-52.

Bowls B, Freeman J, Luna J, Meggs W: Oral Treatment of Organophosphate Poisoning in Mice. *Academic Emergency Medicine*, 2003;10(3):286-288.

Singleton A, Goodman P, Brewer K: Domestic Violence Education and Reporting: Public Attitudes about the Role of EMS. *Prehospital Emergency Care*, 7(3) 2003:312-315.

March J, **Ausband S**, Brown L: Changes in Physical Examination Caused by Use of Spinal Immobilization: *Prehospital Emergency Care*, 2002 6(4):421-424.

Lawson L, March J, Gough J, Brewer K: Automated External Defibrillation by Very Young, Untrained Children. *Prehospital Emergency Care*, 2002; 6(3): 295-298.

Ausband S, March J, Brown L: National Prevalence of Palliative Care Protocols in Emergency Medical Services. *Prehospital Emergency Care*, 2002; 6(1): 36-41.

Barrueto F, Salleng K, Brewer K: Histopathologic effects of a single intramuscular injection of ketamine, atropine, and midazolam in a rat model. *Veterinary and Human Toxicology*, 2002;44(5):306-310.

Barrueto F, Meggs W, Barchman MJ: Clearance of Metformin by Hemofiltration in Overdose. *Journal of Toxicology/Clinical Toxicology*, 2002;40(2):

Barrueto F, Hack J. Hyperammonemia and coma without hepatic dysfunction induced by Valproate therapy. *Academic Emergency*

Medicine. 2001;8(10):999-101.

Braseth NR, Allison EJ, Gough JE. Exertional rhabdomyolysis in a body-builder abusing anabolic androgenic steroids. *European Journal of Emergency Medicine*. 2001;8(2):155-158.

Lowry BP, Bradfield JF, Carroll RG, Brewer KL, Meggs WJ. A controlled trial of topical nitroglycerin in a New Zealand white rabbit model of brown recluse spider envenomation. *Annals of Emergency Medicine*. 2001;37(2):161-165.

Wijesinghe HS, Gough JE. Complication of a retrograde intubation in a trauma patient. *Academic Emergency Medicine*. 2000;7(11):1267-1271.

Jones GK, Brewer KL, Garrison HG. Public expectations of survival following cardiopulmonary resuscitation. *Academic Emergency Medicine*. 2000;7(1):48-53.

Abstracts and Presentations

Kitch B and Brewer KL: Routine use of blood cultures has limited utility in the undifferentiated adult emergency department population. AEM (2014) IN PRESS

Thompson JA, Garri R and Brewer KL: Validation of the TRAINS scoring system for predicting acute traumatic aortic injury. AEM (2014) IN PRESS

Smiley M, Reichmeider A, Grzybowski M, **Brewer KL** and Delbridge TR: Association Between Emergency Department Care and Access to Primary Care. AEM (2014) IN PRESS

Cabaniss W, Bush S, O'Rourke D, Miller S, **Brewer KL** and Meggs WJ: A Randomized Controlled Trial of Trypsin to Treat Brown Recluse Spider Bites in Guinea Pigs. AEM (2014) IN PRESS.

Parker-Cote J, O'Rourke D, Miller S, Brewer KL and Meggs WJ: Trypsin and rosmarinic acid reduce the toxicity of eastern coral snake venom in mice. AMCT (2014) IN PRESS.

Gong D and Brewer KL: Expression of inflammatory markers in the brain following experimental myocardial infarction in a murine model. Vidant Medical Center GME Research Day (2014)

Thompson-Carlton N and **Brewer KL**: A Comparison of the disposition of Psychiatric Patients by the Emergency Physician and the Psychiatrist. National Update on Behavioral Emergencies (2013) IN PRESS.

Monroe J, **Nehus N**, Brewer KL and Brown CK: Application of the New Orleans Head CT Criteria to patients over the age of 65. *Annals of Emergency Medicine* (2013) 61:S54

Parker-Cote J, Brewer KL, O'Rourke D, Rosenbaum M and Meggs WJ: Neutralization with proteolytic enzyme and a phospholipase A2 inhibitor reduces the toxicity of *Micrurus fulvius* venom. *Clin Tox* (2013)

Curtight A, March JA: Patients with confirmed myocardial infarctions are frequently undertriaged as non-emergent by Medical Priority Dispatch System™. AEM (2013) 20(S5).

Rose JS, Stair R and Brewer KL: Residents are hesitant to report hollow-bore needle sticks and most commonly report feeling rushed during procedures when stuck. AEM (2013) 20(S5).

Mukubwa C, **Tejani A**, **Rose JS**, Frank A, Brewer KL: Utility of Trending CKMB In Emergency Department Chest Pain Observation Unit. AEM (2013) 20(S5).

Thomas D, Patterson LE and Brewer KL: Use of ultrasound to detect foreign bodies. AEM (2013) 20(S5).

Heimbürger G, Patterson LE and Brewer KL: Time from nursing request to probe placement delays ultrasound-guided peripheral intravenous catheter placement in emergency department difficult access patients. *American Institute of Medicine* (2013)

Fletcher J, Johnson RE and Brewer KL: Deficiencies in the Experiences and Confidence of Primary Care Residents with Regard to

Airway Management. American College of Physicians (2013)

Smith C and Brewer KL: Pelvic inflammatory disease and cervicitis: Results of gonorrhea and chlamydia testing in the emergency department setting. Presented at: Mid-Atlantic Regional SAEM Meeting, February 2013, Georgetown, VA.

Brock RC, Gough JE and Brewer KL: Feasibility of using Rebound Tonometry for determination of intraocular pressure in the Emergency Department. Presented at: Mid-Atlantic Regional SAEM Meeting, February 2013, Georgetown, VA

Franklin J and O'Keefe K: Patient and family perceptions in sports-related head injury. Presented at: Mid-Atlantic Regional SAEM Meeting, February 2013, Georgetown, VA

Bream JD, O'Rourke D, Rosenbaum M, Brewer KL and Meggs WJ: Comparison of lorazepam and morphine in treating cocaine intoxication in rats. *Annals of Emergency Medicine* (2012) 60:S124

Smyrnioudis M, Brewer KL, O'Rourke D, Rosenbaum M, and Meggs WJ: Long term efficacy of pressure immobilization bandages in a porcine model of coral snake envenomation. *AEM* (2012) 19(4) S276-277.

Stanton J, Via K, Delbridge T and Brewer KL: Pre-arrival anti-pyretics shorten emergency department course. *AEM* (2012) 19(4) S337.

Troendle M, Pekman L, Brewer KL, Whitfield B and Meggs WJ: Effect of naltrexone on delayed encephalopathy after acute poisoning with the sarin analogue diisopropylfluorophosphate (DFP) followed by atropine and pralidoxime rescue. *AEM* (2012) 19(4) S390-391.

Gallo D, Robey W, Russoniello C, Fish M and Brewer KL: Using heart rate variability as a physiological marker of stress during the performance of complex tasks. *AEM* (2012) 19(4) S101.

Kiemeny M and March JM: Retention of Cricothyrotomy Skills by Paramedics Using a Wire-Guided Technique. *AEM* (2012) 19(4) S276-277

Bourne CL, **Miller K** and Brewer KL: Injectable Lidocaine Provides Superior Analgesia Compared to Transdermal Lidocaine/Tetracaine Patch for the Incision and Drainage of Skin Abscesses. *Annals of Emergency Medicine* (2011)

Radecki R, Brown CK, Pugh A and Brewer KL: A previously validated risk score for late troponin elevation derived from TIMI IIIB and GUSTO IIA was not predictive when applied to a low-risk Emergency Department cohort. *Annals of Emergency Medicine* (2010) 56(3):S153

Bennett J, Johnson R, Brown CK and Brewer KL: Use of head computed tomography in elderly patients presenting after a fall: Prevalence and predictors of intracranial injury. *Annals of Emergency Medicine* (2010) 56(3):S90.

Astin M, **Rezaie S**, Johnson R and Brewer KL: Medical Head CT in the Emergency Department: Are we Scanning Too Much? (2010), Presented at Mid-Atlantic Regional SAEM

Plonk T, Gough JE and Brewer KL: Survey of medical decision making; Ability of the public to self-triage and recognize symptoms of emergency conditions. *Annals of Emergency Medicine* (2009) 54:S.

Sekhon N, **Fish L**, Brewer KL, O'Rourke D and Meggs WJ: Diphenhydramine increases lethality in a porcine model of intravenous rattlesnake envenomation. *Annals of Emergency Medicine* (2009) 54:S2115-116.

Hack J, **Orogbemi B**, DeGuzman J, Brewer KL, Meggs W, O'Rourke D. A novel circumferential device delays onset of systemic toxicity after eastern diamondback rattlesnake envenomation to the torso of an animal model. *Academic Emergency Medicine* 2009;16:S224.

Carter K, **Dawson B**, Brewer KL and Lawson L: Relative Value Units? RVU Ready? Preparing Emergency Medicine Resident Physicians in Documentation for a pay for Performance work Environment. *Academic Emergency Medicine*, (2009) 16:S64

Dawson B, **Carter K**, Brewer KL and Lawson L: The RVU Procedure Poster: Improved billing and documentation of procedures following the creation of a procedure poster. *Academic Emergency Medicine*, (2009) 16:S64

Meggs WJ, **Sekhon N**, **Fish L**, Brewer KL, O'Rourke D, Lust RM: Diphenhydramine decreases survival time in a porcine model of intravenous rattlesnake envenomation. *Clin Tox* (2009), 47(5):462

Fish LR, O'Rourke D, Lust R, Brewer KL, Meggs WJ: Cardiovascular effects of intravenous rattlesnake envenomation. *Annals of Emergency Medicine* (2008) 52:S140

Bennett J and Patterson L: Resident Accuracy in Locating the Common Femoral Vein in Normal Weight vs. Obese Patients. *Annals of Emergency Medicine* (2008) 52(4):S148

Dawson B, Gough JE and Brewer KL: EMS "No Transports" – An evaluation of ED presentations and admission rates following patient initiated "No Transports." *Annals of Emergency Medicine* (2008) 52(4):S71.

House J, Brewer KL and Bourne CL: Location of the appendix in the gravid patient. *Annals of Emergency Medicine* (2008) 52(4):S92.

Meggs WJ, **Courtney CA**, O'Rourke D, Brewer KL: Pressure Immobilization bandages for rattlesnake envenomations prevent lethal hyperkalemia from necrosis in a porcine model. *Annals of Emergency Medicine* (2008) 52(4):S140.

Hack JB, **DeGuzman J**, Brewer KL, O'Rourke D and Meggs WJ: A novel localizing circumferential compression device delays onset of systemic toxicity after Eastern Coral Snake torso envenomations in anesthetized swine. *Academic Emergency Medicine*, (2008) 15(5), supp. 1:S96.

Meggs WJ, **Courtney CA**, O'Rourke D, Jenkins A and Brewer KL: Pressure-immobilization bandages increase survival in a porcine model of rattlesnake envenomations. *Clinical Toxicology*, (2008) 46:71.

Meggs WJ, **Courtney CE**, O'Rourke D, Jenkins A and Brewer KL: Venom Lysis Syndrome: A cause of lethality in rattlesnake venomation. *Clinical Toxicology* (2007) 45:620.

Murr I, Barrueto F, Meltaer A, Brewer KL, Meggs WJ. Effects of Amiodarone in a porcine model of tricyclic antidepressant poisoning. *Annals of Emergency Medicine*, 2005;46(3):S-76-77.
